LEST WE FORGET!

Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solid Democratic State Election Board—every one the creation of Mr. Goebel. No agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 13, 1900.

William S. Taylor.....193,714
William Goebel.....191,331

Taylor's Plurality.....2,383

The Goebel Law is the most fitting monument that GOEBEL could have.

The repeal of the Goebel Law by the men who have become its beneficiaries is a wanton insult to the memory of GOEBEL.

It has taken our Catholic friends of the entire world 608 years to convert 1,000,000 Chinamen, how much did the Editor of The Bulletin subscribe to the Home Mission School in this city?

The Demo-populists complain because the Chemical Trust, as they allege, has advanced the price of ipecac. Don't see how that need affect any one; a reading of the so-called Democratic platform will have the same effect.

ACCORDING to the statistics for 1899, the American Board of Foreign Missions, organized in 1810, now has in all "heathen" lands nearly 500 Churches, and during the 90 years of its existence it has received about 130,000 members. The cost has been \$27,000,000. Here's a chance for some zealous Foreign Missionary Editor to figure out how long it will take, at the above ratio, to make Goebel Democrats out of the remaining 299,870,000 Chinamen, and how much of the \$100,000,000 Fund will be left after Toy SCOTCHBELL draws his claws out of the grab-bag.

THE LEMMER Editor is everlastingly after the Preachers for meddling with secular affairs. He does not hesitate, however, to meddle with religious affairs. What he doesn't know about Missions would fill a great big book, if printed.—Bulletin.

The Editor of THE LEMMER, unlike his contemporary, doesn't know everything; and, unlike his contemporary again, he doesn't array himself against those who do know what he doesn't know. He has common-sense ideas about some things, and besides he is willing to learn. If the Editor of The Bulletin will cast his religious eye over the diagram and figures that appear in another place in this paper, he may learn enough about Foreign Missions to fill a small book at least.

A MAN who rarely ever enters a Church is not very well qualified to discuss Foreign Missions or any other religious topic.—Bulletin.

Well, that's a "crusher"—a regular rock crusher, in fact.

Who the devil is the man after anyway? Who is it, in all this broad land, that has the audacity to discuss Foreign Missions, or any other religious subject, unless he sits on the front bench at Church, and wear a sanctimonious face on Sunday and a Cackleristic smile the balance of the week?

Hereafter let no one dare to speak of what is done by the Kentucky Legislature unless he attends the meetings of that body; let no scribbler hereafter open his ink-wells on Congress unless he occupies a pew in that religious gathering.

History, recorded in tomes musty with the centuries, cold facts and figures born of experience—these things go for naught.

According to Editor MARSH the only commission that authorizes one to speak of Foreign Missions is attendance upon Church!

And yet one is amazed at the increase of crime!

Heaven.

When the quantity of food taken is too large or the quality too rich, heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours pass between meals and when you feel a fullness and weight in the region of the stomach after eating, indicating that you have eaten too much, take one of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the heartburn may be avoided. For sale by J. W. Wood & Son, Druggists.

The Sunday-school of the Christian Church is plying today in Best's woods.

Those who live on farms are especially liable to many accidental cuts, burns and bruises which heal rapidly when Chamberlain's Snow Liniment is applied. Price, 25 Cents. J. W. Wood & Son, Druggists.

Mr. George W. Loeber, the civil engineer, who has made Mayville his headquarters a few months, left yesterday to engage in business at Cincinnati.

Herbicide clears the complexion, gives buoyancy to the mind, cures headache, regulates the stomach and bowels, stimulates the liver and is, in fact, a perfect guardian of the health. Price, 50 cents. J. W. Wood & Son.

Mr. J. M. Scott has resigned as Superintendent of the Mayville Cotton Mills. He will take a much needed rest this summer before taking up new work in the fall.

NEWS IN KENTUCKY.

KENTUCKY COAL.

Operators Meeting Many Inquiries as to the Probable Coal Consumption in the South.

Corbin, Ky., July 10.—Coal operators in the section of the coal fields of the State of Kentucky are in receipt of many communications from consumers of steam coal in Alabama, Mississippi and other southern sections, desiring to know prices on coal delivered. These inquiries are the result of a strike which now seems imminent in the southern mining regions. The miners in the Alabama and other coal districts of the south and southwest have demanded an increase in the present wage scale, which from present prospects, will not be granted.

Operators in Kentucky and East Tennessee are very much elated at the prospect of securing southern trade, as it means thousands of dollars to them. In the event of a strike in the southern coal regions they say they feel sure there will be no trouble in securing a greater part of the patronage of the southern people, and once it is secured they maintain that a considerable portion of it will stay with them. If such a result should occur eastern Kentucky coal fields will outlive those of West Virginia.

KENTUCKY REPUBLICANS.

Leaders of the Party Decided to Have a "Burrhead" Campaign, Beginning July 17.

Louisville, Ky., July 10.—Republicans leaders from all over Kentucky and several anti-Goebel democrats held a conference here and decided, in the words, to have a "burrhead" campaign in Kentucky this year, beginning it by running special trains from all over the state to Louisville on July 17, when the state convention will be held here.

Informally the conference decided to let anti-Goebel democrats should be invited to affiliate with the republicans, and expressed the opinion that there should be but one plank in the state platform, and this was referred to as "anti-Goebellism."

Tobacco Growers Bring Suit.

Louisville, Ky., July 10.—Nine suits have been filed by tobacco growers against Louisville warehouses. The shippers claim that under the rules of the Louisville Tobacco exchange warehouses have been settling with growers after deducting ten pounds of tobacco from each hoghead for a sample. It is claimed that under the McLean law the shippers are entitled to pay for the ten pounds.
